### **Disclaimer**

STAGE provides external links as a convenience to our users. The appearance of external hyperlinks on this website does not constitute endorsement by STAGE of the linked websites, or the information, products or services contained therein.

STAGE does not exercise any editorial control over the information you may find at these locations. STAGE is committed to the protection and privacy of the personally identifiable information that we might collect from you as a result of using this website.

By using the STAGE website you agree to STAGE's use of this information as described in the following Website Privacy Policy.

### **Website Privacy**

This website may use cookies which are small pieces of text stored on your computer that detects which internet browser you are using. Cookies can also identify where you have been on our website and on websites to which you may have linked to/from in order to access our site and to request any information or use any of its features.

Our host for STAGE is [QIQ](#) and you may refer to their GDPR privacy policy to examine how they provide services to STAGE. Through QIQ, STAGE is able to view the IP address of those who visited the website and the pages accessed. This enables STAGE to concentrate its efforts into supporting pages that are more popular than others by tallying the amount of unique IP address that were visited. STAGE cannot deduce any personal information from an IP address alone; this information could only be deduced by the

visitors ISP supplying such details to a law enforcement agency.

Our website may contain links to other websites of interest. However, once you have used these links to navigate away from our site it should be noted that STAGE do not have any control over the content of these websites. Therefore, STAGE cannot be responsible for the protection and privacy of any information which you provide whilst visiting such sites and as they are not governed by this 'Website Use and Privacy Document'. You should exercise caution and look at the privacy statement applicable to the website in question.

STAGE will not disclose your personal information, in whole or in part, to any third party accepting for purposes if required by government legislation, e.g. law enforcement agencies.

By using the STAGE website and its sub sites contained therein, you wholly consent to the collection, use, and storage of your information by STAGE in the manner described in this Website Use and Privacy Document.

As STAGE consists of a main partnership between three schools the content on the website has been provided by St. Anthony's, Manor Green Primary and the QEII. In general, the main data that can be deemed 'personal' under GDPR are photographs which have been provided following the consent procedures of each school. As such, if you have any concerns about this content you must refer to the school that provided that content and view their own privacy policy.
